*Make the appointment with the physician of your choice, have that physician formally request a copy of your records to be sent. Record Requests need to be in writing can be faxed to:  
908 526-5569 or emailed to [CJCOLONANDRECTAL@GMAIL.COM](mailto:CJCOLONANDRECTAL@GMAIL.COM).*

We discourage releasing records directly to the patient, however if requested the fee is \$100.00 the records will have to be picked up at the office and a signed waiver obtained. You can request that your records be sent to your PCP (primary care physician) instead of going directly to you, for free.

**Release form and this list of physicians is on our website: [CJCOLONANDRECTAL.COM](http://CJCOLONANDRECTAL.COM)**
